

Meeting with the Delegation of Guangzhou Development Industry (Holding) Co. Ltd.

December 9, 2011

A senior delegation of Guangzhou Development Industry (Holding) Co. Ltd. (GDIH) visited Thar Coal & Energy Board to get technical information about coalfield of Sindh including Thar, Sonda and Badin. GDIH is an state own Chinese Company listed in Shanghai Stock Exchange. Its area of operations includes Electricity, Coal and Gas business. China Three Gorges Corporation in association with GDIH is interested in developing coal mining and power generation project at Thar and Sonda Coalfields.

The Secretary Coal & Energy Development Department/Managing Director Thar Coal & Energy Board Mr. Mohammad Younus Dagher briefed the delegation of GDIH about the potential of coal reserves in the province and government's plans & policies to attract foreign investment in these sectors. The head of the delegation appreciated the information provided by the Thar Coal & Energy Board and hoped that in future it will be beneficial for both sides.
